

The Pendennis Guest House Access / Accommodation Statement

Introduction

Penzance is a bustling town with interesting shops and a huge variety of pubs, restaurants and cafe-bars, serving excellent food with something to suit all tastes and all within walking distance of the house, however, Penzance can be awkward to navigate for wheelchair users as one of the main streets, market Jew St has granite paving and is quite steep

The House is an end of terrace 10 bedroomed Victorian house. Whilst we aim to meet the needs of all our guests there are some features which might make access difficult for people with limited mobility.

We are located on a slight hill and have rooms at different levels, the main entrance to the house is on the first floor and there are a number of steps into the house and between rooms.

Rooms are of typical large Victorian proportions and access via the front involves climbing 13 steps and therefore is not suitable for wheelchair users.
